## Horse Boarding Application

Tashunka, LLC offers full care boarding with individual stalls, private paddocks, and small group turnout. Our barn is a family friendly environment with a diverse group of riders covering an array of experience levels and enjoying a variety of riding disciplines. We participate in recreational and competitive environments at the local and regional levels. Most boarders are actively involved in the lesson program, and take part in occasional barn work parties and social events. In an attempt to maintain a relaxed and fun atmosphere, and continue to provide a safe environment for our horses and riders we ask that all potential boarders complete the following form.
